EMPLOYMENT

MOLE DESIGN

July 2009 - Present

Freelance Graphic/Web Designer

Running my own freelance graphic and web design business under the name Mole Design. Sourcing all my own clients, working with local authorities, businesses, schools, football clubs with projects including logo/branding design, flyers, brochures and websites. Liaising with printers to offer clients a whole design and print service.

SPRING MARKETING

April 2011 - Present

Graphic/Web Designer

Working as part of a team in a busy studio, working to tight deadlines producing all types print design. In house web designer across many web based projects included fully content managed websites and email newsletters.

WORTHING THEATRES

May 2008 - June 2009

Design/Publicity Officer

All in house design tasks for Worthing Theatres, consisting of 4 large theatrical venues in the town. Tasks included designing of flyers, posters, brochures, large outside banners, inside pull up banners, monthly HTML eNewsletters, updating/maintenance of the website.
